Brightlife Photography Gallery presents 'Explore Light Nature' a collection of photographic work by father and son Peter and Ed Gordon.

The body of work presents nature in it's purest and most beautiful form, devoid of man's trace. Ed and Peter are firm believers that beauty can be found in nature's grand views and also in it's small, sometimes less appreciated elements. To this end this exhibition presents both the majestic vistas whilst also honing in on the more abstract inerpretations of the natural world.

All imagery is captured on 35mm and medium format film and printed to the highest specifications on photographic
